

# CMCLS 2007-2008 School Survey for Committee Members and Teachers

Dear Parents,

Time does fly. It has been a wonderful year for CMCLS with your support. At the end of the school year, we would like to know your opinions about the school to help us understand your children's needs and further improve the operation of CMCLS.

The staff put together a survey with simple questions. We appreciate if you can take a few moments to answer the questionnaire and share your thoughts. All information collected will be confidential. And your suggestions will be very valuable for next year's staff and teachers.

Thanks a lot.

CMCLS Staff.

## Instructions

Please fill the questionnaire, seal, and return to the school by 6/8/2008 (last day of school). To further ensure confidentiality, we will have a box in the cafeteria for you to drop the form. Please do not write your names on the form or any thing to identify yourself. The result will be compiled by independent person(s) who knows the history of the school but does not currently involve with the school.

Please write down all your suggestions. If needed, additional form can also be downloaded from the school web site <http://www.cmcls.org>.

We are constantly looking for parents with talents to expand our culture class/club. If you can teach/lead a culture class/club to share your talent, or if you know any one who would be willing to do so, please contact any CMCLS staff member or drop a separate note along with the survey. We will make proper arrangements once received.
